Reiter: ISO-CERTIFICATION

ISO 9001:2015 and ISO 14001:2015

In June 2017, 1cc GmbH was certified by the auditing and certification company, Dekra Certification GmbH, in the scopes of quality and environment. For the successful implementation of our quality and environmental management systems, we were granted the ISO 9001:2015 and ISO 14001:2015 certificates.

We are committed to persevering the optimizing of our management and environmental processes. In this context, the 1cc management appointed a quality management representative who is responsible for keeping the processes and coordinating developments.
